ELIXIR JOUR VITALITÉ

Moisturizing & Protective

Hydration / Radiance / Protection / Tone
Dermo-regulating care, 100% natural
Anti-aging care with an 89% concentration of
pure organic active principles

Action:

Day after day, this elixir works to eliminate dermal disorders and stimulate the skin's capacity to withstand aggression. It gradually regulates the skin, helping activate and boost its revitalization. Experience it for yourself!

- Ultra-moisturizing care* with Shea butter, Aloe Vera and Hyaluronic acid.
- Restructuring care with Lavender, Hamamelis, Sesame and Wheat proteins.
- Soothing care with Lime blossom.
- Protective care against pollution and climate-related aggressions: thanks to anti-oxidants fighting off free radicals and the plant oils that in part absorb sunlight.

Enriched with the exclusive **Age Defense Complex™**: Vitamin E (anti-free radicals), magnesium/phosphorus/selenium (cell energy), with proven benefits that will improve cellular renewal, skin elasticity and restore skin volume.

Results:

Immediately after the first days of use, skin is clearly suppler and refreshed. After a few weeks of use, it feels stronger, better-toned and the complexion looks more radiant, creating a genuine "healthy glow" effect.

The product bonus:

Elixir Jour Vitalité is not in the least occlusive, contrary to most available day creams. Thereby, it promotes the purifying function that helps eliminate the body's impurities throughout the day. Thanks to the economical concept of airless pump bottle and the exceptionally high concentration of active ingredients (89%), apply only one drop of product... it will last twice as long! (4 to 6 months - bottle with around 200 drops)

For what type of client?

Particularly recommended for reactive mature skin (ultra-sensitive, allergic, depleted by menopause or by cosmetic surgery).

Recommendations for use:

Every evening, dispense a dab of Baume to a clean face and décolleté. Do not forget the eye contour and the area behind the earlobes.

Presentation:

Fondant cream with a delicate and discreet fragrance.
50 ml airless pump bottle.

Complementary product:

Baume Nuit Caresse.

Wild or organically grown plant and oil extracts, specially selected to fight against the signs of aging:

Lavender, Lime blossom, Hamamelis, Sesame, Shea, Sweet Almond, Jojoba, Avocado, Wheat, Blue Chamomile, Aloe Vera.

100% of total ingredients are of natural origin,

89% of total ingredients are derived from organic agriculture.

BAUME NUIT CARESSE

Nourishing & Repairing

Nutrition / Regeneration / Softness
Dermo-regulating care, 100% natural
Anti-aging care with an 89% concentration of
pure organic active principles

Action:

Boasting a wealth of more than 20 pure active principles of organic origin, **Baume Nuit Caresse stimulates the skin's regeneration and gradually regulates your skin**, helping energize and activate its revitalization.

Vaso-protective active ingredients improve microcirculation to help prevent the appearance of a swollen face upon waking. Highly penetrating, Macadamia nut oil develops its repairing anti-aging action throughout the night. St. John's Wart helps soothe and reduce the skin's hypersensitivity. Particularly recommended for very fine and irritable skin, Lime blossom water procures continuous hydration. Jojoba oil with restructuring benefits works to regulate sebum flow, night after night.

Enriched with the exclusive **Age Defense Complex™**: Vitamin E (anti-free radicals), magnesium/phosphorus/selenium (cell energy), with proven benefits that will improve cellular renewal, skin elasticity and restore skin volume.

Results:

After a few days of use, skin is suppler, regaining its elasticity. After a few weeks, it feels regenerated. Your face looks clear and smooth upon waking; your skin boasts renewed resilience.

The product bonus:

Thanks to the economical concept of airless pump bottle and the exceptionally high concentration of active ingredients (89%), apply only one drop of product... it will last twice as long!

DESCRIPTION

SUBLIME LUMIÈRE

Anti-Aging Micro-Peel & Radiance Mask

Purity / Radiance / Transparent complexion
Derma-regulating care, 100% natural
Anti-aging care with a 75% concentration of pure
organic active principles

Action:

No less than 30 extracts from wild and organically grown plants were specially selected to help purify, oxygenate and revitalize your skin. This 2-in-1 micro-peel and mask works to boost the cellular stimulation process, gradually helping regulate your skin. Complexion looks even and lackluster skin regains its radiance.

- Thanks to Apricot micro-powder, this product delivers purifying and deep-cleansing action while preserving the delicate natural balance of sensitive skin.
- By boosting microcirculation, it revives and illuminates the complexion. Hamamelis refines skin grain and helps smooth skin texture.
- Sesame oil and Shea butter help improve skin's elasticity and firm tissue.
- This cosmetic leaves your skin revitalized through the action of Rosemary and St. John's wort. Wheat germ and sunflower oils nourish in deep the skin.

Enriched with the exclusive Age Defense Complex™: Vitamin E (anti-free radicals), magnesium/phosphorus/selenium (cell energy), with proven benefits that will improve cellular renewal, skin elasticity and restore skin volume.

Results:

Immediately after the first days of use, skin is noticeably suppler and refreshed. After a few weeks, it feels stronger, better-toned, while complexion looks more radiant, creating a genuine "healthy glow" effect.

The product bonus:

This treatment preserves the delicate balance in sensitive mature skin types. Containing no abrasive agents, it has no detergent action, contrary to a number of exfoliants. Your skin feels comfortable, not tight; dead skin cells are eliminated.

Thanks to the economical concept of airless pump bottle and the exceptionally high concentration of active ingredients (75%), apply only one drop of product... it will last twice as long! (up to 6 months - bottle with around 50 drops)

For what type of client?

Particularly recommended for reactive mature skin (ultra-sensitive, allergic, depleted by menopause or by cosmetic surgery).

Recommendations for use:

Dispose a dab of Sublime Lumière to the face and décolleté. Massage delicately and leave on for 5 minutes to take effect. Dab skin with a dry cotton ball to remove the grains and then massage by gently pinching skin between two fingers. Rinse off with fresh water, if needed. Use once or twice a week.

Presentation:

A soft texture ideal for a mask. Soothing fragrance.
50 ml airless pump bottle.

Complementary product:

LIFTING CORRECTEUR+

Plumping & Micro-tensing

Smoothness/ Firmness/ Suppleness
Dermo-regulating care, 100% natural
Anti-aging care with an 84% concentration of
pure organic active principles

Action:

With more than 20 pure active principles of organic origin, **Lifting Correcteur+** helps stimulate **redensification of the epidermis** for triple smoothing, plumping and firming action.

Smoothing action thanks to Sweet Almond, Sunflower and Olive oils, together with glycerol and squalane.

Plumping action thanks to Horsetail extract known for its restructuring and remineralizing properties. Rich in silica, horsetail participates in calcium metabolism and collagen formation.

Firming action thanks to toning Meadowsweet and Cypress, a symbol of eternity.

Skin also regains its elasticity through the action of Centella Asiatica which helps boost collagen production and restores firmness in the facial oval. Finally, wheat proteins act like plant collagen to procure precisely targeted benefits against loss of firmness.

Enriched with the exclusive **Age Defense Complex™**: Vitamin E (anti-free radicals), magnesium/phosphorus/selenium (cell energy), with proven benefits that will improve cellular renewal, skin elasticity and restore skin volume.

Results:

After a few days, skin is suppler, regaining its elasticity. After a few weeks, it appears plumper, more firm. Cutaneous imperfections and dermal tension are attenuated. Pores look tightened, skin grain refined and complexion pure and bright.

The product bonus:

Specially formulated for the eye contour, this product prevents or attenuates the appearance of puffiness and sagging eyelids.

Thanks to the economical concept of airless pump bottle and the exceptionally high concentration of active ingredients (84%), apply only one drop of product... it will last twice as long!
(3 to 6 months - bottle with around 200 drops)

For what type of client?
